**Oil / Water Separator
Adsorb-it® Polishing Filter Pack
US Navy Manchester Fuel Depot**

Faster. Easier. Cheaper.

Equipment Washing at a Major US Sea Port

First they tried to block the oil and oil sheen runoff with foam and other expensive materials - *it didn't work.*

Emergency Response Personnel cut a piece of Adsorb-it Filtration Fabric off of their roll and placed it under the drain grate, solving the problem of oil and oil sheen runoff - *for a fraction of the cost!*

Adsorb-it® ***Consider it First!***

Item #SFS8-10
8" dia. x 10' long

Filter Sock

On the Job!

Dock Curtains
Port Orchard Marina Fuel Dock
Port of Bremerton, Washington

Contour Ditch Boom
