### Washington’s Leading Clean Energy Conference

Returning for its fourth year, the Washington Future Energy Conference has become the state’s “must-attend” clean energy event. Presented by Northwest Environmental Business Council (NEBC) and the Washington State Department of Commerce, this unique conference provides an unmatched forum for learning, networking, and business development – bringing together those engaged or interested in the new energy economy. Last year’s 350+ attendees included:

- Project developers & potential project owners
- Engineers, consultants, attorneys & other service providers
- Equipment & technology providers
- Energy investors & financiers
- Industrial & commercial facility managers
- Utility managers
- Government agency representatives
- Economic development professionals
- Building designers, architects & owners
- Researchers, academia, NGOs
- Those interested in becoming part of the industry
- Others promoting a strong local economy

### The 2013 Agenda Includes Educational & Discussion Sessions Covering:

- *The Context for Clean Energy in Washington*
- *The Business of Renewable Energy*
- *Efficiency in Buildings*
- *New Fuels for Transportation*
